presents

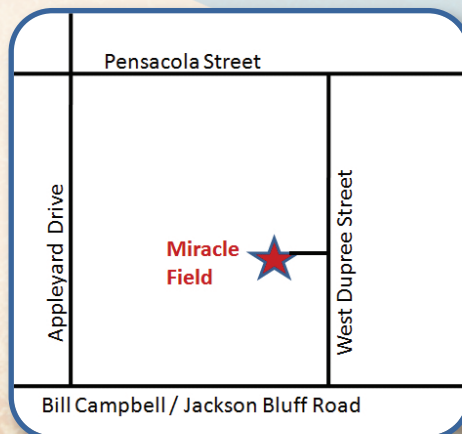

**Everyone** deserves  
the opportunity to **come** out  
and **play**

## What is Miracle Field ?

The dream of having a Miracle Field in Tallahassee was born in 2006 when David Jones, President of the Florida Disabled Outdoors Association (FDOA), watched a Miracle League baseball game in St. Petersburg, Florida. Jim Wylie and Kiwanis of the Big Bend partnered with FDOA and two years later, on November 5th, 2008, Tallahassee dedicated its own rubberized surface Miracle Field.

## Miracle Sports of Tallahassee

Miracle Sports of Tallahassee is a program of the Florida Disabled Outdoors Association (FDOA), a non-profit agency that enriches lives through accessible inclusive recreation and active leisure for all.

### How to Get Involved

**Players** are what this program is about. Everyone plays in an inclusive recreation environment and any reasonable accommodations needed are made to ensure the safety and full participation of each player.

**Buddies** are the volunteers that help with Miracle Sports. This is the perfect opportunity for individuals, school groups, churches, families, and the community to get involved and make a difference in someone's life.

**Sponsors** are what keep Miracle Sports going. Donations from our community continue to provide the endless opportunities this program offers.

Miracle Sports would like to especially thank the Kiwanis Clubs of the Big Bend for their support and fundraising efforts for the construction of the Kiwanis Miracle Field of Tallahassee-Leon and continued support of the Miracle Sports of Tallahassee.
